

COMPOST: STAGE 1

Include:

Plant waste from this BC garden, shredded or cut into small pieces

Vegetable or fruit kitchen scraps

Compostable bags should be emptied into the bin and left on the side

Leave woody materials from this BC garden next to bins for shredding

Don't Leave:

Weeds from the garden, especially those with seeds

- Meat or bones
- Heavy rinds from melons or pineapples
- Egg shells (they don't decompose here)

Pet waste (including kitty litter or dog droppings)

Yard waste from home

Plastic bags, paper products, or other trash

Woody organic materials from home
